**THE
PRIDE**

PR

A senior ring . . . Tigers . . . blue and white . . . the DHS school song — all symbols of PRIDE. The words "Tiger Pride" echo over and over to voice the self-respect and delight felt about all activities of Daingerfield High School. Therefore, it seems most fitting that the title of our yearbook should henceforward be called THE PRIDE.

WHAT WE WILL

What will you remember about your High School years? Your favorite cars or movie? The Musical Group or T.V. Show you liked best?

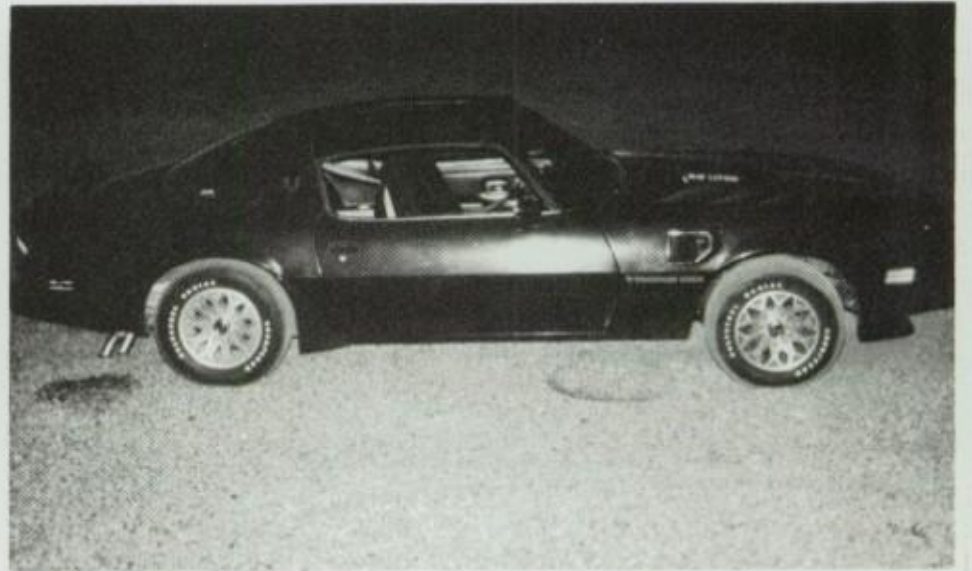

DHS students were asked in a poll taken by the Pride Staff to express their opinions on various subjects. Several interesting observations could be made from the results obtained. In the years to come students will be able to look back on this survey and remember the different things that were popular at the turn of the decade. Here are the results:

- (D.) go to a dance — 7%
- (E.) stay home — watch T.V. — 4%

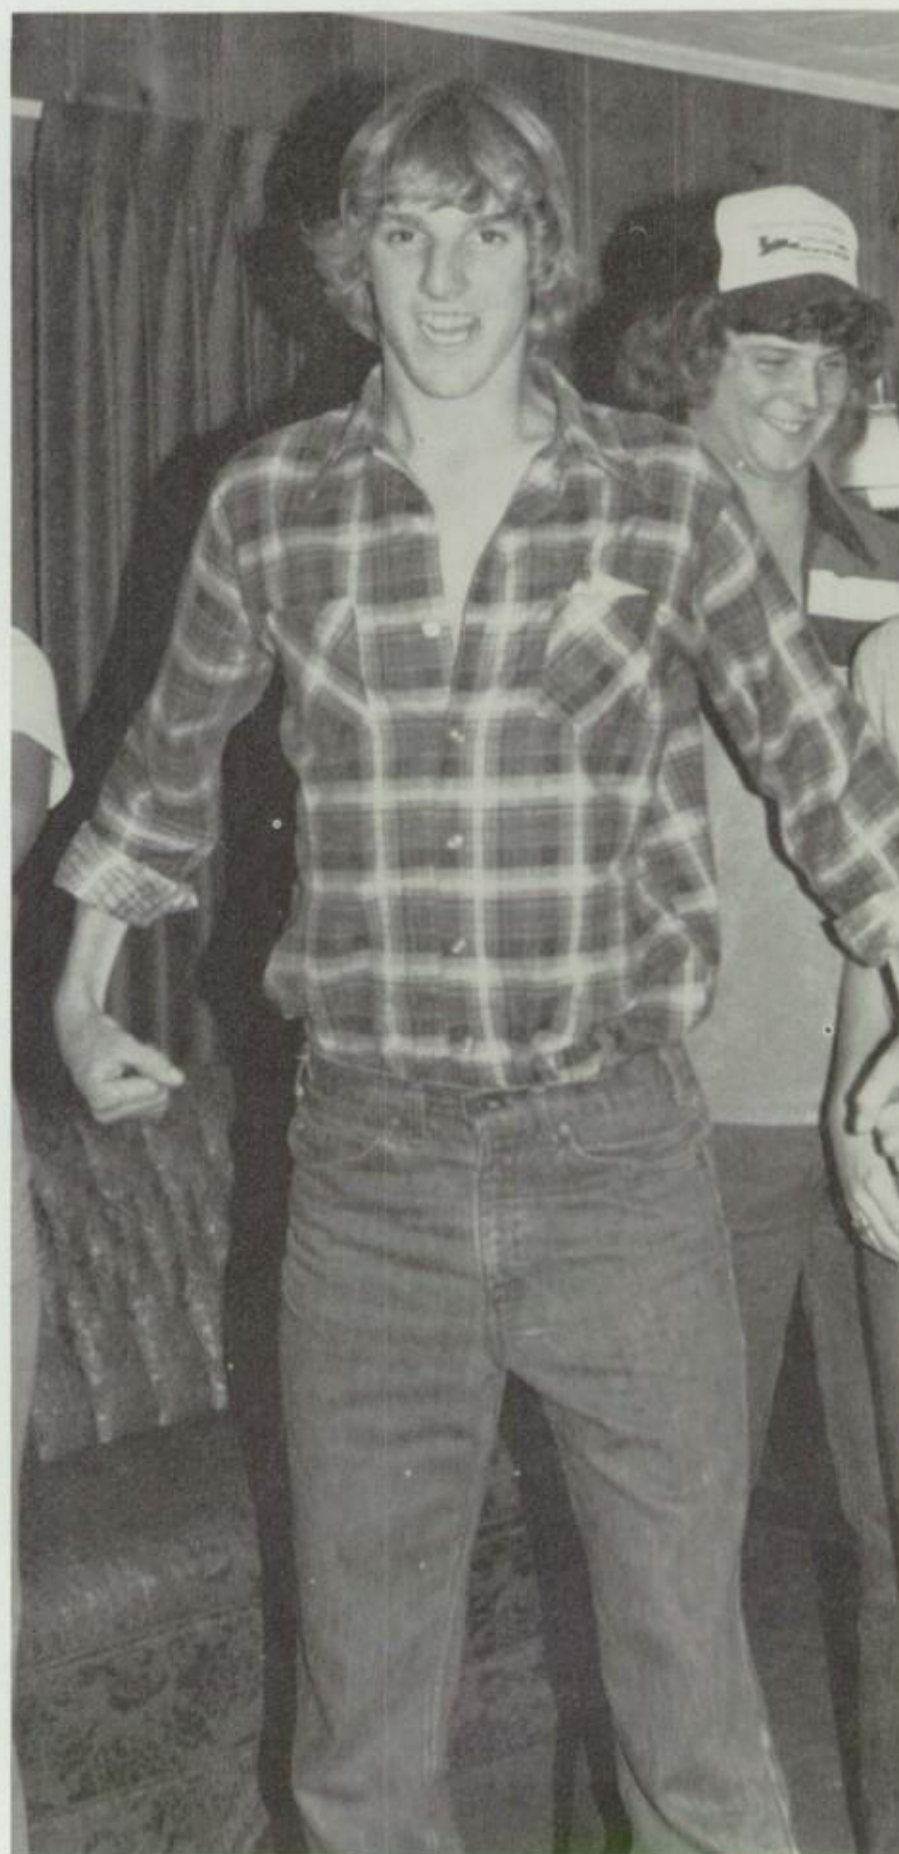

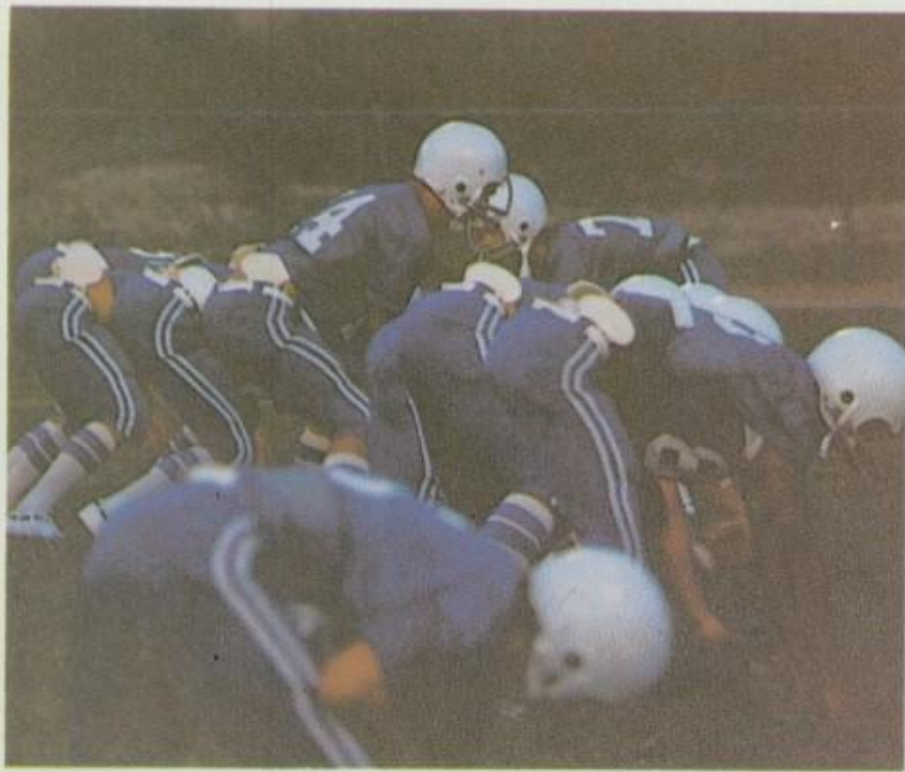

There couldn't be
a better time

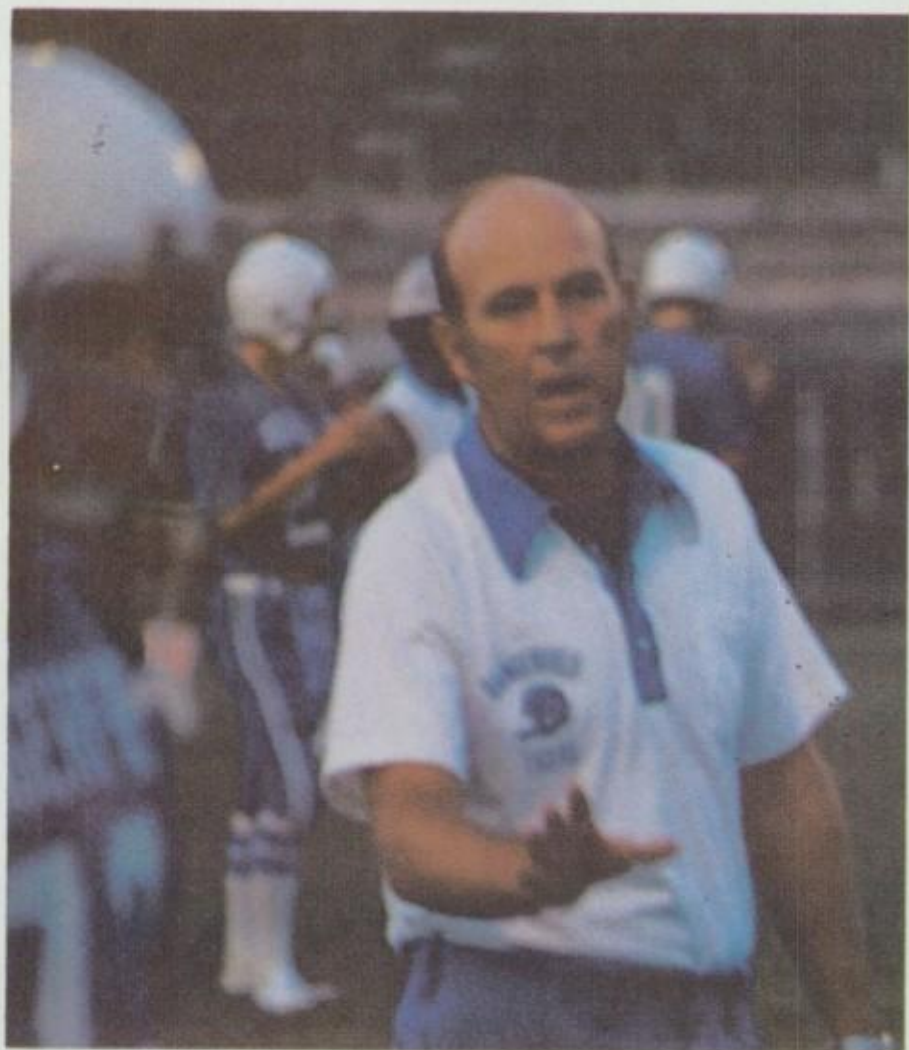

Than when your
annual is here.

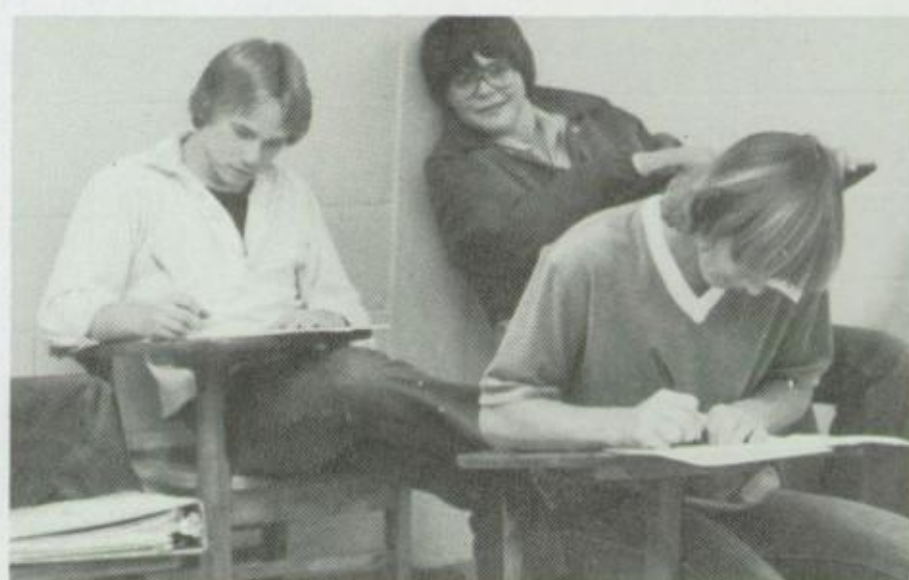

For looking back
on all you've done

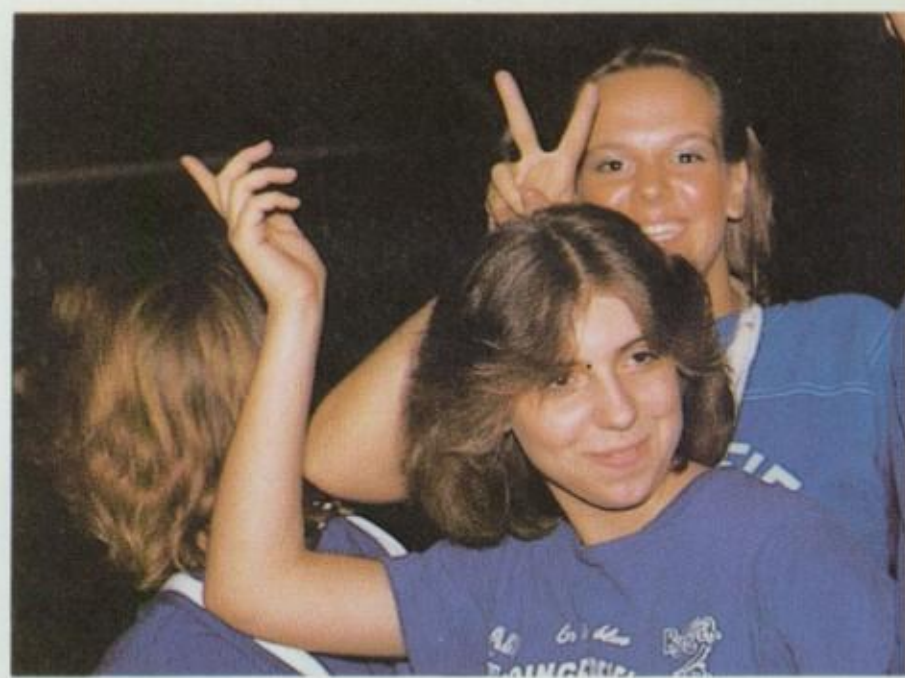

In the course of
one short year . . .

You've probably read at least one book...

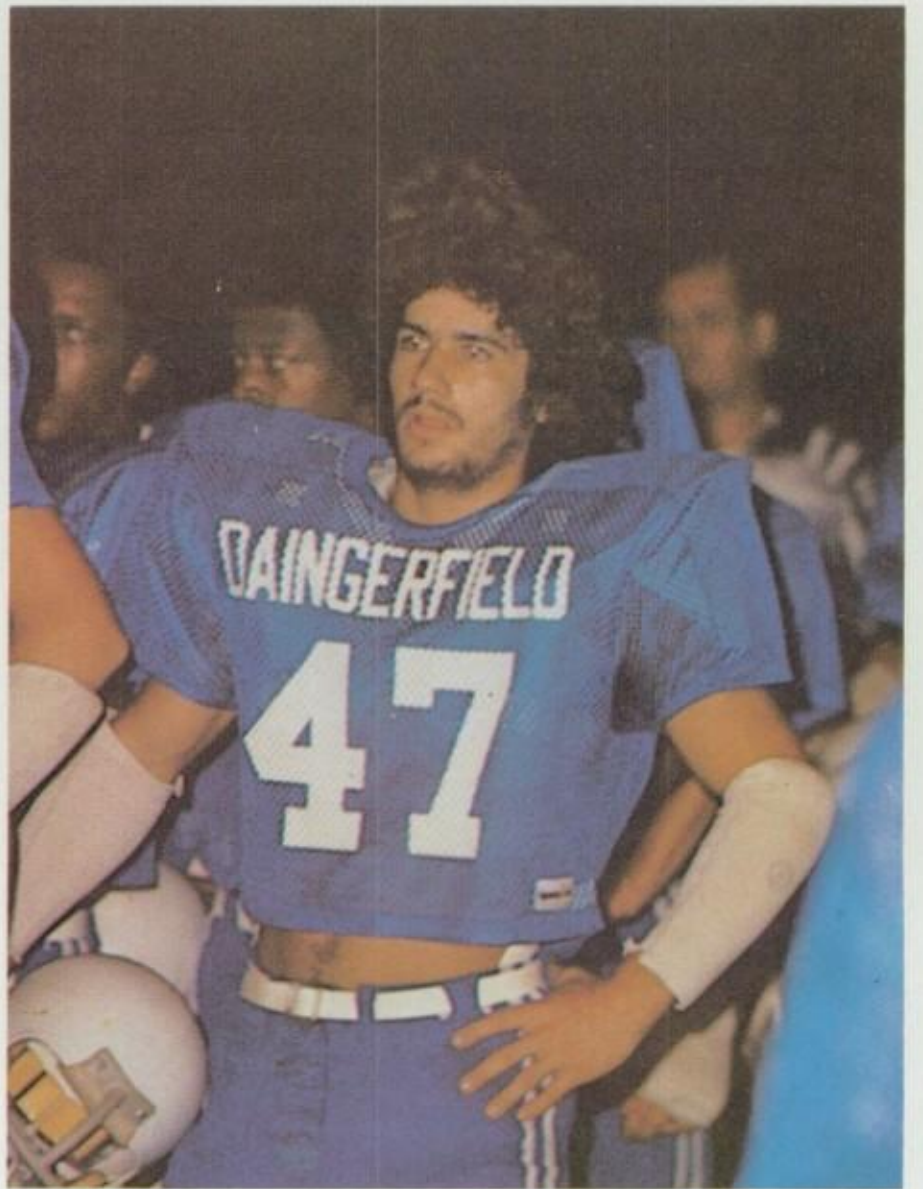

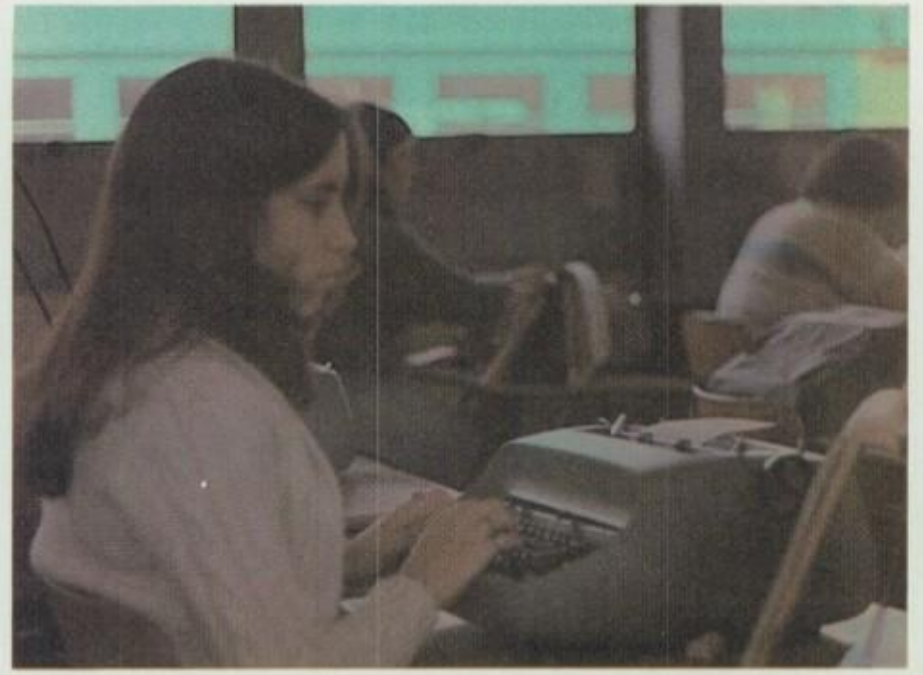

And made a friend . . . or two!

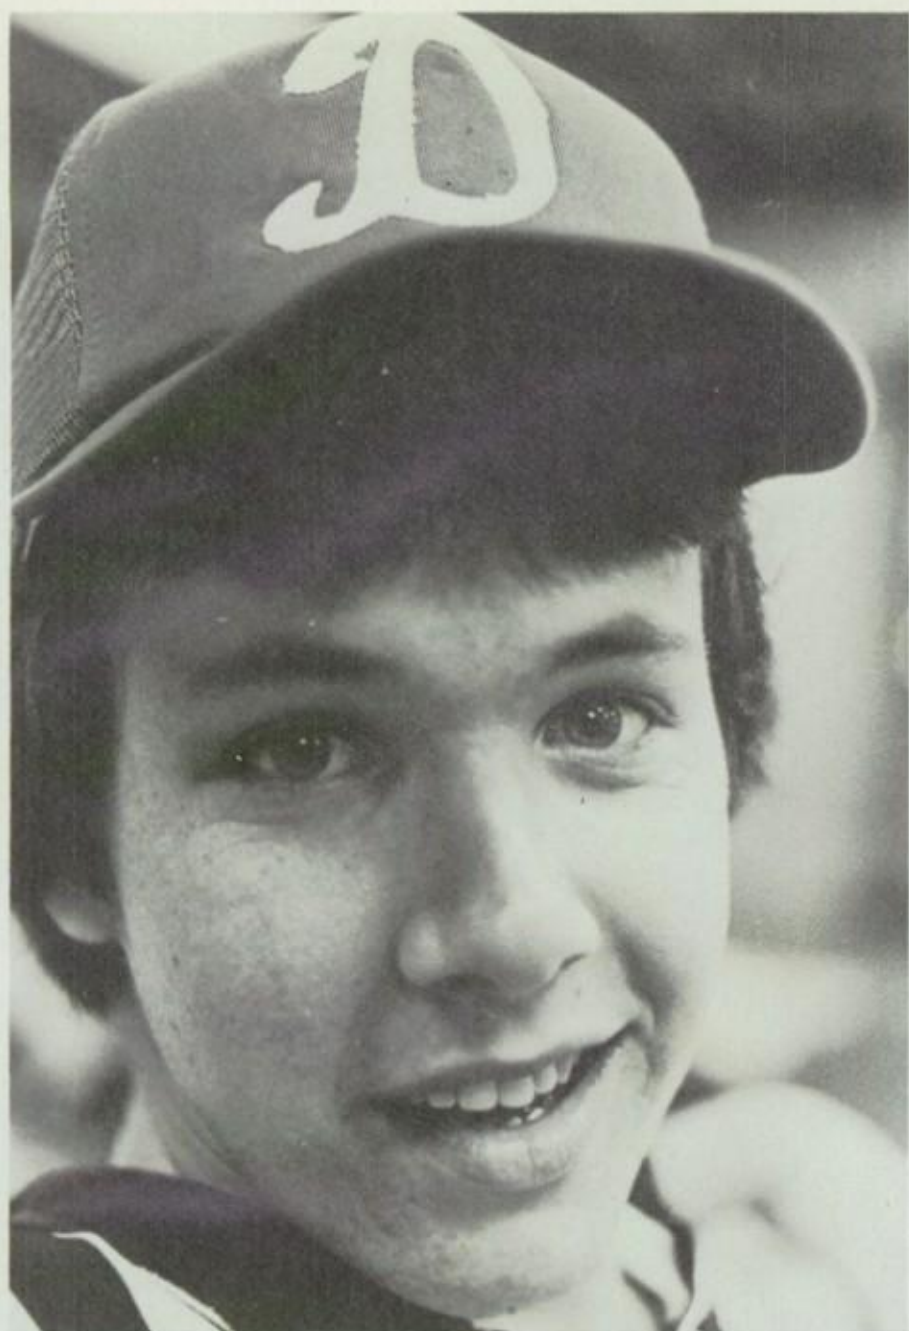

Perhaps you've had
some problems . . .
Or found new
interests to pursue!

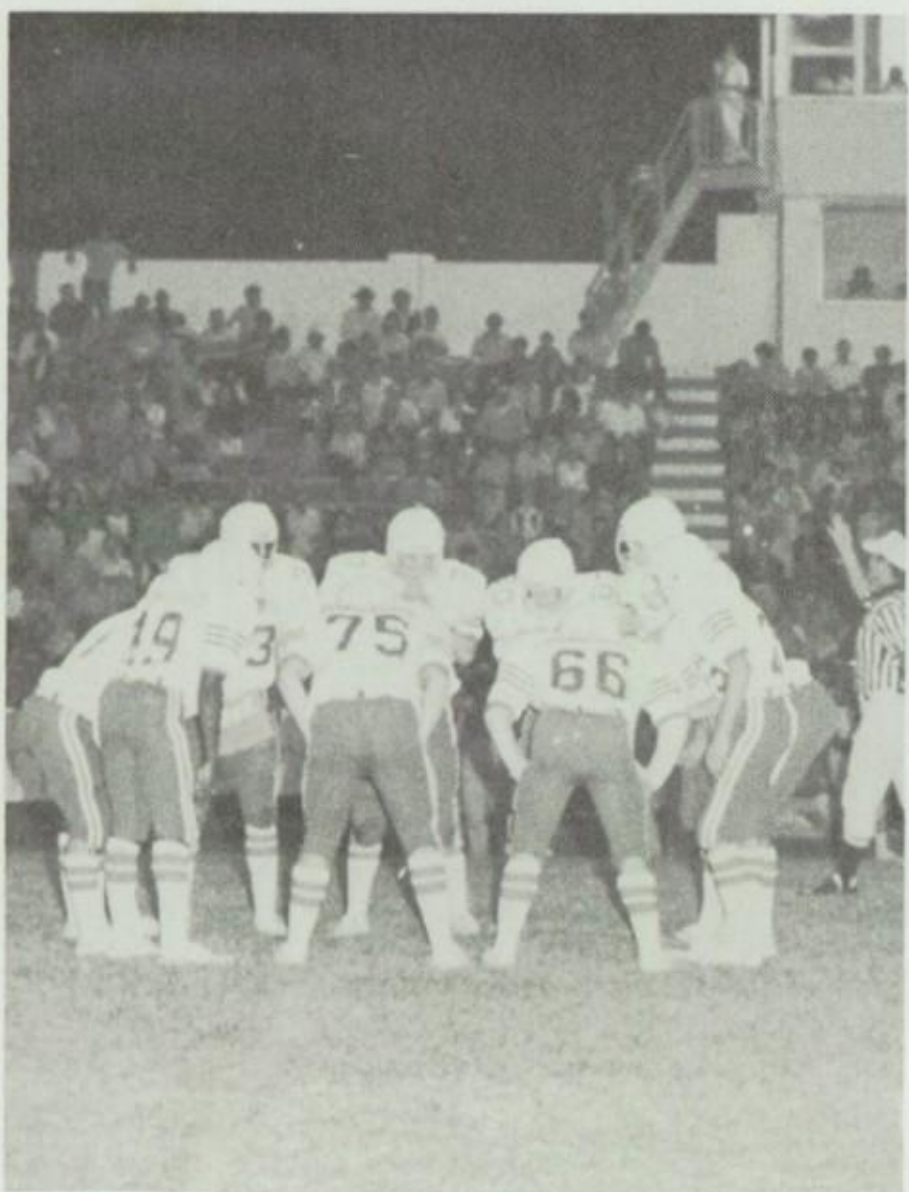

Maybe you've had
some high old
times . . .
And a few that were
kind of quiet!

So after all is said and
done,
The year has been a
prideful one!

And now you can look
forward to
The fine year that's
ahead of you!

PR

A senior ring . . . Tigers . . . blue and white . . . the DHS school song — all symbols of PRIDE. The words "Tiger Pride" echo over and over to voice the self-respect and delight felt about all activities of Daingerfield High School. Therefore, it seems most fitting that the title of our yearbook should henceforward be called THE PRIDE.
